Dear Manhattanville College community,

I am delighted by the warm welcome that the Manhattanville College community has extended to me and my family. My wife Jean and I are anxious to become active members of this dynamic enterprise and look forward to working with you all to help respond to the many opportunities to realize the exciting promise of our important mission, our exciting vision, and our new strategic plan for our students and all of us.

We are looking forward to meeting personally with each and every one of you.

Regards,

Jon Strauss
