Arlen Marshall is the head coach for the Men’s Ice Hockey team at Manhattanville College. He arrived on campus in 2006 from Saskatchewan, Canada with only two bags in hand. He has embraced the culture on campus and credits Manhattanville College for providing him with numerous opportunities.

Arlen received his Bachelor of Arts degree from Manhattanville in 2010. He majored in communications and minored in history. Arlen was also a student-athlete on the Men’s Ice Hockey team from 2006-2010, and assisted the team reach two NCAA tournament appearances; including three ECAC West Conference championships, as well as a frozen four appearance. In May 2012, he received his Master of Science in Sport Business Management.

Prior to becoming the Head Men’s Ice Hockey Coach, Arlen served as a Graduate Assistant for the team from 2010-2012. During that time, Marshall successfully recruited student-athletes from the United States, Canada, and Sweden.

“I would not be where I am today if I wasn’t a Valiant. I’ve embraced each opportunity to the fullest, and intend to provide students with the same level of education and professionalism that I received at Manhattanville.”
