Alumni Association Call to Action: Nominations

The Manhattanville Alumni Association Board of Directors’ [AAB] mission is to oversee, support and promote the goals of the Manhattanville College Alumni Association in conjunction with Manhattanville College. The Board serves as an advisory committee to the President of the College, the Board of Trustees, and the Office of Institutional Advancement and Alumni Relations on matters that pertain to alumni. The Board works to engage all members of the alumni association to build and sustain a lifelong relationship between the College and its alumni through the following activities:

- Fostering leadership among alumni
- Engaging students as future alumni
- Recognizing alumni for accomplishments and service (reunion awards)
- Supporting alumni organizations, regional groups, constituency groups and students
- Encouraging participation of Alumni Association activities and events
- Providing an avenue for feedback to the administration
- Supporting the Fund for Manhattanville (annual giving)

The AAB's various committees (including but not limited to engagements, communications, and reunion) allow alumni to focus their energy in areas that are helpful to the College. Through these committees, board members work to link students and alumni through various activities and partnerships with Admissions and Career Development. Alumni also help to raise essential fundraising dollars through the Fund for Manhattanville. Recent alumni have opportunities to participate in targeted activities through the Manhattanville Young Alumni Society, which has recently become a partner society of the AAB. For those alumni residing outside the tri-state area, Manhattanville holds a series of regional events bringing the president or faculty members to meet with alumni in other areas of the country.
