

MASTER OF SCIENCE IN BUSINESS LEADERSHIP

Even chief executives do not do it alone.
You won't either at Manhattanville.

SCHOOL OF BUSINESS
MANHATTANVILLE COLLEGE®

You are smart, focused, and ready to move your organization forward. There is a void in the workplace for effective leaders able to navigate wisely through increasing complexity and diverse corporate cultures in an era of uncertainty. We will show you how to advance intelligently with our practical and specialized MBA alternative.

At Manhattanville School of Business, our faculty provide you with the kind of collegial advice and insider knowledge that can only be gained through experience, expertise, and understanding of the big picture.

Choosing Manhattanville will immediately put you in the inner circle in your specialty field with industry-savvy practitioner faculty to build your people management, team building, active listening, and critical thinking skills.

Our core classes in strategy, analytical and financial tools, growth and innovation, project management, ethical leadership, and effective communication will teach you what you need to succeed in today's highly competitive global business environment.

39 credits

Core courses + selected electives +
final capstone project = **Success**

18 months part-time study

Plus, you can personalize your master's degree to your specialized career goals by choosing from electives in such hot areas as entrepreneurship, IT, managing risk, marketing, operations, healthcare, mission-based organizations, and more.

Our personalized programming and interactive small classes set us apart. From the time you start at Manhattanville to the time you finish, we will be here for you. Plus, our affordable tuition, convenient weekend classes, accelerated options to complete your degree faster, and easy commute to campus or student housing options will make Manhattanville the right choice for you.

School of Business Programs

Offering graduate, accelerated undergraduate, dual degrees, and advanced certificates in disciplines across the business spectrum ranging from Finance to Sport Business, Marketing Communication to Human Resource Management, Leadership and Entrepreneurship, plus our unique International Management program, we provide an array of options that will enable you to succeed in business. Our programs in Nonprofit Management, Women's Leadership, and Managing Risk offer insights and certifications to shape the future of business.
