Bonnie St. John is a bestselling author, a leadership consultant for corporate, government, and nonprofit organizations, and a motivational speaker. She is regarded as one of the most innovative and visionary leaders in the field of personal and corporate leadership. Ms. St. John was the first African-American to take home a silver and two bronze medals at the Winter Olympic Games in 1984. She was appointed by President Clinton as a Director for Human Capital Issues on the White House National Economic Council. St. John is the first African-American to complete both B.A. and M.A. degrees from Harvard University, and she is a Rhodes Scholar from Oxford University. She is also a Certified Drug-Free Workplace Professional and a Charteredmk.D., Vanessa Wakeman, and Bonnie St. John.

The event will begin with a continental breakfast followed by professional development workshops and networking with their peers. Attendees will hear from and network with many inspirational women, while also engaging in professional development workshops and keynote addresses by Col. (Ret.) Donna Brazil, Ph.D., Vanessa Wakeman, and Bonnie St. John.

The event is aimed at corporate business leaders, women entrepreneurs, non-profit professionals, and government professionals, and their guests. Attendees will hear from and network with many inspirational women, while also engaging in professional development workshops and keynote addresses by Col. (Ret.)
