Provider Evaluation after Medical Leave of Absence

To the Student: Please have this form completed by ALL treating providers.

To the Health Care Provider: The student named below is requesting reinstatement to Manhattanville College. The information you provide on this form will be used to determine the student's readiness to resume academic study and/or residence on campus. It is crucial that you provide as much detail as possible about the student's current level of functioning and his/her course of treatment during the period of the Medical Leave of Absence.

Please be advised that the Manhattanville College Counseling and Wellness Center serves a large number of students, and therefore, we provide only brief therapy. Students returning from Medical Leave of Absence who require continued psychological or psychiatric care will be expected to have a treating provider in place at the time of reinstatement.
