News Media Resource Questionnaire

Faculty and Staff:

Do you have subject matter expertise?

Interest in speaking with the news media or participating in speaking engagements?

We are gathering information to create faculty and staff profiles for use on a new website page — “Media Resources – Faculty & Staff” — that will replace our “Find an Expert” page. **Please be mindful that news media will be most attracted to keywords and resources that reflect trending, contemporary coverage topics.**

For questions, please contact heidi@stanadler.com.

Please send completed forms to communications@mville.com.
