

Accommodations

If you are seeking accommodation abroad, it is important to contact the school you will be studying at in order to make sure you have everything you will need to access services.

If you are currently registered with the Center for Student Accommodations, we recommend that you visit the Center in order to obtain the following:

- 1. A letter to verify the accommodations that are being provided to you at Manhattanville College.**
- 2. A copy of your documentation if you do not already have a copy in your possession.**

If you have any questions or concerns, please contact the Director or Assistant Director of the Center for Student Accommodations:
