This policy was developed to effectuate continuous improvement and to be in compliance with Middle States Commission on Higher Educations standards.

Entities Affected by the Policy

Student, faculty, and staff

Policy Background

No comprehensive policy addressing this issue previously existed. This policy has been developed in accordance with guidelines from the College’s regional accrediting body, Middle States Commission on Higher Education (MSCHE) regarding student complaints filed against the College.

Manhattanville College participates in federal student aid programs that are authorized under Title IV of the Higher Education Act of 1965. Participating institutions must be legally authorized to operate with the state in which it is located. Title 34 CFR §600.9 requires states to have a "process to review and appropriately act on complaints concerning the institution including enforcing applicable State laws." Title 34 CFR §668.43(b) requires that institutions:
"make available for review to any enrolled or prospective student upon request, a copy of the documents describing the institution's accreditation and its State, Federal, or tribal approval or licensing. The institution must also provide its students or prospective students with contact information for filing complaints with its accreditor and with its State approval or licensing entity and any other relevant State official or agency that would appropriately handle a student's complaint."

To comply with this regulation, Manhattanville College provides the following information to our prospective and current students. The processes described in this policy are established College policies and processes.

**Policy Procedures**

**Procedures for general Student Complaints:**

Manhattanville College and its staff strive to improve student services and welcome input regarding our policies and procedures. All student concerns or complaints should be written and directed to the appropriate departmental or division office. If said response does not adequately address a student’s concerns or if the department fails to respond to the student’s complaint, the complainant is encouraged to contact the Office of the Provost (Reid Castle, 2nd floor, Room 207, 914-323-5340) for academic concerns and the Office of the Vice President of Student Affairs (Reid Castle, 2nd Floor, Room 227, 914-323-5294) for all other concerns.

All written complaints/concerns should be accompanied by relevant documentation. The Provost or Vice President for Student Affairs will review the documents and the circumstances with the appropriate area and will either respond personally to the complaint, or direct the appropriate member of the institution to do so within 10 days of receipt of the written complaint.

Please note: Due to federal regulations (FERPA), the College generally only corresponds with students, not parents or guardians.

Manhattanville College makes every effort to resolve student complaints internally, using policies and procedures outlined in the current Undergraduate Catalog, School of Business Graduate Catalog, School of Education Graduate Catalog, or Student Handbook. It is expected that students will fully utilize any and all such administrative procedures to address concerns and/or complaints in as timely a manner as possible.

**Procedures for Student Complaints pursuant to College policies:**

- Any Manhattanville College student may initiate a Student Complaint alleging violation of existing policies or established practices as applied to the student concerning his or her role as a student. The Student Complaint will be addressed by the applicable College
policy and procedure as mandated by law and/or described in College policies or procedures.

- All divisions, departments and offices accepting complaints under this policy must maintain a Complaint Log of all written Student Complaints. The Complaint Log must be compiled in a format that can be provided to the Director of Assessment and Accreditation annually and upon request. See Appendix A for sample Complaint Log.

- Student Complaints should be timely filed. Anonymous complaints and complaints filed on behalf of another person will be dismissed. Complaints that are appropriately handled by a different procedure on campus will be returned to the student with a referral to the appropriate office or procedure. Such a referral will be noted on the unit’s Complaint Log.

- Each division, department or office receiving a complaint under this policy shall note the complaint on its respective student complaint log, whether that complaint is sent by the complaining student directly or whether the complaint is referred by another division, department or office.

Annual Requirements:

- Each division, department, or office receiving a Student Complaint under this policy must conduct an annual evaluation of the Student Complaints to determine if there are trends in the types of Students Complaints and, if so, how are these trends being addressed. This annual evaluation will also identify whether possible modifications/improvements to the policy or process should occur.

- This annual evaluation will be provided to the Office of Assessment and Accreditation for documentation and for further review.

Student Complaints and Complaint Log:

- Manhattanville College makes every effort to resolve student complaints internally, using policies and procedures outlined in the current Undergraduate Catalog, MSB Graduate Catalog, School of Education Graduate Catalog, or Student Handbook.

- It is expected that students will fully utilize any and all of such administrative policies procedures to address concerns and/or complaints in as timely a manner as possible.
