Semester: Fall 20____ Spring 20____

Last Name: _____ First Name: _____ ID# _____

Undergraduate degree students must declare major(s) and minor(s) by filing this form with the Registrar's Office. Students may declare majors/minors at any time after entry to the college, **but no later than the** declaration deadline during the sophomore year. This deadline is published in the Spring academic calendar. **Students who do not meet the Spring sophomore declaration deadline will receive a registration hold.**

When declaring, students must designate an advisor who is a member of their major department. (First-year students who declare a major will continue to be advised by Academic Advisement). Students with multiple majors will designate a major advisor in each department. This form must be signed by the department chairs concerned (or their designees), by the new advisor, and by the student. Forms will be processed within 3 business days. **NOTE: A change from one program to another may extend your graduation date! Consult with your advisor!**
