**Cross Registration Policy:**

Cross registration at Purchase College, located at 735 Anderson Hill Rd., is available to all full-time matriculated students currently registered for at least 12 credits at Manhattanville. Cross-registration is meant to make courses available to students that are not taught at Manhattanville. Manhattanville students may register for only one (1) Purchase College course per semester [an exception is a science course with a separate required lab] and a total of six (6) courses throughout their college career.

If you are interested in cross-registering for a language course (e.g., Chinese or Hebrew) and have questions, please contact [gabriele.wickert@mville.edu](mailto:gabriele.wickert@mville.edu). For questions about all other cross-registration issues, visit the Mville Registrar’s Office web site at [www.mville.edu/registrar](http://www.mville.edu/registrar)

**By signing above, the student acknowledges that registration, add/drop, withdrawal, and pass/fail credit option elections must be done at both Manhattanville College and Purchase College. If you withdraw from Manhattanville, you MUST also withdraw from Purchase College. This is NOT done for you!**
