PROFESSIONAL EXPERIENCE

Manhattanville College

Assistant Professor
April 2012 to Present
Educational Leadership and Special Subjects

Teaching three different graduate and post-graduate courses to practicing and aspiring teachers and leaders. Lectures, hands-on time, and immersive projects provide students the opportunity to learn and share best practices, explore software and services, stay abreast of current literature and research trends, and connect electronically with other innovators.

Extracurricular activities include organizing annual Edcamp conferences on campus, active involvement with the CAEP, edTPA, and technology committees, leading student teaching seminars, and helping maintain the School of Education web site.

North Shore Hebrew Academy

Director of Instructional Technology
August 2011 to July 2013
North Shore Hebrew Academy High School

Led the 9th grade transition to the Mac platform in our 1:1 student laptop program, planned and scheduled professional development, and oversaw all classroom technology instruction. Responsible for managing technology budget and purchases, Edline LMS, Google Apps, Rosetta Stone Classroom, Castle Learning, WebAssign, school web site, and social media outlets.

Elmsford Public Schools

Health Education Director & Teacher
September 2010 to June 2011
Alexander Hamilton High School

Employed cross-sectional survey and data analysis to determine student health and physical activity needs and shape district-wide instruction. Reviewed and refined Health 10, Health 8, and Ethics in Health courses based on school, district, and community data. A variety of lesson formats kept students engaged throughout lessons.

Extracurricular activities include active involvement with district wellness, continuous improvement, and technology committees. Served as district liaison for Westchester County STAR (Students Talking About Relationships) program, and trained for integration of additional Advanced Placement courses.

Lynbrook Public Schools

District Administrative Intern
June 2010 to August 2010
Lynbrook High School

Organized and assisted the Nassau County heroin prevention task force summit, collaborated with community members in organizing use of school facilities, reviewed bids from vendors for athletic equipment and supplies to ensure lowest cost to district, created "Back-to-School Night" presentation for parents and students, redesigned and digitized coaches manuals, and designed indoor and outdoor safety posters to be mounted around gymnasium equipment and athletic fields.

Great Neck Public Schools

Building Administrative Intern
January 2010 to May 2010
Great Neck North Middle School

Initiated the redesign of the school web site, adding an interactive calendar of events and daily widgets alongside departmental and team information. Facilitated several program and classroom collaborations between middle and high schools, incorporating input from all constituents.

PROFESSIONAL EXPERIENCE, CONTINUED

Jericho Public Schools

District Administrative Intern
June 2009 to August 2009
Office of the Assistant Superintendent

Assisted in the development and scheduling of new teachers' orientation and Superintendent's Conference Day. Reviewed scholarly articles, digitized resources, and built a web site repository for teaching materials.

Great Neck Public Schools

Health Education Teacher
September 2007 to June 2010
Great Neck North High School

Developed innovative lessons incorporating technologies (Qwizdom Response System, HD videos, PowerPoint presentations, web 2.0 collaborations, online games, among others) into Peer Leadership, Health 11, Health 9, and ACE Health (students with varying academic and physical capabilities) classes, promoting a deeper understanding of functional and skill-based knowledge, aligned with state standards. A variety of lesson formats kept students engaged throughout lessons.

Extracurricular activities included active involvement with the technology and professional development committees, 9th and 10th grade advisories, drug awareness, mountain sports, and webmasters clubs. Coached varsity softball and fencing, and junior varsity volleyball. Designed and maintained three in-district web sites, and created a teacher site, extending resources beyond the traditional classroom.

Bellmore-Merrick CHSD

Health & P.E. Teacher
January 2006 to June 2007
Grand Avenue Middle School

Engaging health education content was discussed and reinforced with PowerPoint presentations, videos and digital media, appropriate web content, role-playing activities, and guided discovery projects (among other strategies).

CONSULTING & COMMITTEE WORK

AASA Journal Of Scholarship & Practice
June 2016 to Present

Associate editor, responsible for soliciting scholarly articles from superintendents and other administrators, processing blind copies, assigning reviewers, maintaining the online AASA database, and meeting regularly with other stakeholders involved in this peer-reviewed journal publication.

NYSTCE/Pearson
August 2015 to Present

Test item validity examiner and committee member, serving as a content expert for Health and Physical Education content specialty tests administered in New York State.

Nassau BOCES/P.E. Consortium
February 2015 to Present

Consultant, preparing and delivering workshops and hands-on training sessions for health and physical education administrators and faculty across Nassau County.

NYSED HIV/AIDS Prevention Project
January 2014 to Present

Co-author and consultant, collaborating with 15 New York State educators and leaders in researching, outlining, writing, revising, and publishing a new HIV/AIDS Prevention Education Guidance Document. This NYSED-backed publication will be disseminated to NYS schools and serve as a reference tool for educators statewide

Outstanding Student Awards Reception
September 2013 to Present

Committee member, working with Nassau County administrators in selecting and recognizing Physical Education students who demonstrate excellence in leadership, participation, and an ongoing desire to succeed and improve. Over 400 award recipients, families, and staff typically attend our receptions.

Social Media & Public Relations
July 2013 to Present

Consultant, selected to serve as the online "voice" for the New York State Association for Health, Physical Education, Recreation, and Dance (NYS AHPERD), sharing important Association updates, professional articles, blog posts, related photos, inspirational quotes, and more to over 2,000 combined followers across Facebook and Twitter platforms.

Get Moving NY
January 2013 to Present

Committee member, providing educational and exciting opportunities for Nassau County children to incorporate physical activity into their lives, in collaboration with 6 Nassau County educators and leaders, and celebrity Biggest Loser contestant, Tara Costa. One event, co-hosted at Freeport High School, drew over 800 total participants and families.

NYS AHPERD Conference
September 2011 to Present

Conference director and committee member, organizing several quality professional development opportunities for health and physical education teachers and leaders, with multiple sessions, a keynote introduction, and vendor/networking opportunities. Approximately 350 educators attend each year.

RELATED EXPERIENCE & SKILLS

Sportime at Syosset

Tennis, fitness and multi-sport facility

Lead Teacher - Multi-Sport Program

January 2004 to January 2005

Created and followed lesson plans, leading each 55-minute class through age-appropriate warm-up, primary focus and closure. Class sizes range from 8-20 students, ages 5-9.

Party Coordinator - Sports Parties

September 2003 to January 2005

Organized and played multiple sports activities with groups of 15-40 children, ages 4-12; responsible for billing, and maintaining food and supplies inventory.

Syosset/Woodbury Community Park

Full day camp program, July and August

Group Coordinator

Summer 2002 to Summer 2010

Supervisor of seven counselors in the juniors and intermediates program (ages 7-12), overseeing their interaction with the campers and assuring their safety and well-being. Planned field trips and accompanied campers. Responsible for training of CITs.

Highly proficient with the following programs and web 2.0 apps

Adobe Acrobat Professional, Dreamweaver, Fireworks, Flash Professional, Photoshop
Apple Final Cut Pro, iMovie, iPhoto, iTunes, Keynote
Google Blogger, Calendar, Drive, Hangouts, Sites
Microsoft Excel, MovieMaker, OneNote, PowerPoint, Publisher, Sway, Skype, Word
Autocrat, Flipgrid, Kahoot, Plickers, Podomatic, SMART Notebook
