

PROFESSIONAL LICENSURE AND CERTIFICATION INFORMATION

In New York State, each professional license and teacher and school administrator certificate has requirements that candidates must meet in order to be licensed or certified to practice in New York. All undergraduate and graduate programs at Manhattanville leading to licensure or certification have been approved by NYS Education Department as meeting the New York State education requirements for licensure or certification. Licensure and certification may require additional and/or prior coursework, NY State examinations, and/or mandated workshops. [Click here](#) for a statement of these additional requirements.

For a list of programs that meet the educational requirements for teacher certification or professional licensure in New York State, [click here](#). Candidates should be aware that NYSED regulations change frequently and that it is the ultimate responsibility of the candidate to be familiar with and to fulfill all of the requirements for licensure or certification. The information the college provides is accurate as of the date of publication. Efforts are made to communicate changes to licensure or certification requirements via Manhattanville email, but it is the responsibility of candidates to remain up-to-date and to meet current requirements. Licensing and certification are at the sole determination of NYSED.

Public Disclosure Notification

Per U.S. Federal Regulations, §668.43 (2019 Rule), and in compliance with the State Authorization Reciprocity Agreements (SARA) Manual version 19.2, Manhattanville provides the following disclosure related to the educational requirements for professional licensure and certification, [limited to the programs listed here](#).

If you plan to work in a state other than New York, Manhattanville College School of Education, after making reasonable efforts, cannot make a determination if our programs and our curricula are sufficient to meet the educational requirements for certification or licensure in any other state, Washington DC, Puerto Rico or other territory. We recommend that you review the relevant state's licensing board or teacher certification website for that state's qualifications. A listing of State and territorial teacher certification websites can be found at <https://www.teachercertificationdegrees.com> and elsewhere. The Office of Field Placement and Certification will complete any necessary forms and/or letters for out-of-state certification after the completion of your approved teacher preparation program, upon the student's request.

This disclosure does not provide any guarantee that any particular state licensure or certification entity will approve or deny your application. Furthermore, this disclosure does not account for changes in state law or regulation that may affect your application for licensure and occur after this disclosure has been made.
