

How To Download a Free Copy of Microsoft Office on Windows and Mac

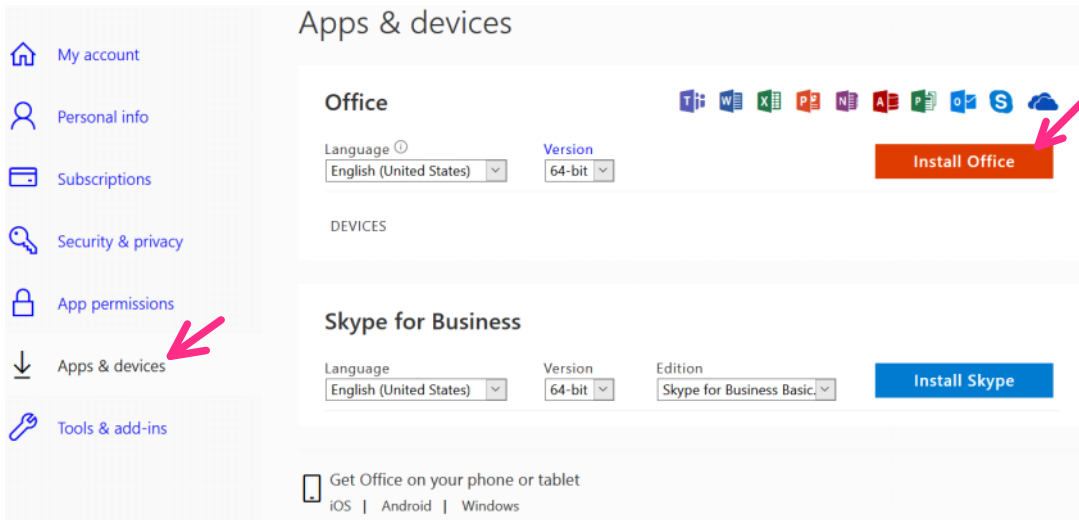

1. Sign into your Mville Email:
Mville.edu -> MyMville -> Email

2. On the top right, click on your initials, then click "View account"

3. On the "Apps & devices" tab, click on Install Office.

4. Follow the on-screen prompts. Once the installation is complete, office will ask you to sign in. Enter your Mville Email credentials and you're all set!
