Involved in Preparing for Your Future

Located in the heart of Westchester County, Manhattanville College is roughly an hour outside of New York City. This close proximity gives our students the unique opportunity to experience the safety and support of a small college with all the benefits of a large diverse community like New York City.

Internships

Positions with the world’s most influential corporations and nonprofits help students build professional credentials and connections. Sites where students held internships in the past year:

- Cosmopolitan magazine
- Mastercard
- MTV Networks
- MoMA
- NBC Universal
- Nickelodeon
- PepsiCo
- Rolling Stone magazine
- WWE
- Columbia Records
- Sony/RCA Records

Career Development

The Career Center provides one-on-one counseling, resources, and programs to support students. We have cultivated our relationship with Manhattanville alumni to develop a network of professional connections. This allows for a wide range of alumni mentors that help to provide opportunities and experiences to current students.

Students from across the globe come to Manhattanville for a first-rate liberal arts education within easy reach of New York City. Manhattanville graduates take their educations around the world, contributing their ideas and energy to communities everywhere.

Office of International Students

Manhattanville’s Office of International Students and Study Abroad is always available to students — offering counseling on immigration matters, helping with the cultural adjustment process, and connecting students with services and activities on campus and throughout the community.

Workshops

With offerings from workshops and shopping trips to parties and barbecues, the annual Ready, Set, Go program provides three days of orientation and fun for new international students. The international student advising staff will be on hand to answer any questions and make sure your transition to Manhattanville is as smooth as possible.
