Manhattanville COLLEGE®

CROSS-REGISTRATION FORM
Manhattanville to Purchase College

Student Name: _____ _____ _____
LAST FIRST MIDDLE

Mville Student ID: _____ Semester: ☐ Fall ☐ Spring Year: _____

Cross-Registration Policy:

Cross registration at Purchase College, located at 735 Anderson Hill Road, is available to all full-time matriculated undergraduate students currently registered for at least 12 credits at Manhattanville. Cross-registration is meant to make courses available to students that are not taught at Manhattanville College. Manhattanville students may register for only *one* Purchase College course per semester (except for science courses which require a corequisite lab section) and a total of *six* courses throughout their college career.

I am planning to cross-register at Purchase College during the indicated term for the following course(s):

Subject	Course #	Title

Students may take more than one course *only* if the second course is a lab connected with a science course.

I acknowledge that registration, add/drop, withdrawal, and pass/fail credit option elections must be done at both Manhattanville College and Purchase College. If I withdraw from Manhattanville, I must also withdraw from Purchase College. This will not be done automatically.
