IMPORTANT NOTES:

- The Winter 2022 and Spring 2022 classes are now available in Student Planning; you may plan your classes at any time. Students may NOT register BEFORE their assigned day and time, but may register at any point afterwards.
- Get advised, finalize your schedule and register as soon as your appointment activates! You then increase your chances of getting the schedule you need!
- Earned credit amount does not include Fall 2021 credits (Fall 2021 credits are in progress, not earned).
- Note: please pay very close attention to the INSTRUCTOR METHODS/TYPES for course details.
 - “Online” will display courses that meet partially or fully online.
 - “Not Online” will display courses that meet in person or as individualized study.
 - “Hybrid” will display courses that have a mix of instruction types.
