## COVID-19: Everything You Need to Know

10% of residential students will be selected for mandatory, weekly surveillance testing

**Students who have their booster +14 days are exempt from surveillance testing**

**Students who are not yet eligible to receive their booster will not be selected for surveillance testing**

If you are selected for surveillance testing you will receive an email on Friday for testing the following week. You will be required to sign up for a time slot for your required test. Students who fail to comply with mandatory surveillance testing will be referred to the conduct process.

## surveillance testing begins week of 2/7/22
